2022 – 2026

B.S. in Information Security (IS), School of Computer Science

I will continue to pursue a master's degree in Computer Science (CS) at School of Computer Science, Shanghai Jiao Tong University, advised by [Prof. Sun Shixuan](#), expected from 2026 to 2029.

RESEARCH INTERESTS

My research interests lie in **high-performance computing**. During my undergraduate studies, I worked on **graph computing**, particularly its integration with **serverless computing**. Currently, I am interested in high-performance LLM systems (**LLMs**), specially in **high-performance kernel design**.
